4. (Secret - JGO) Met with Mr. Frank Slatinshek, Chief Counsel, House Armed Services Committee, and discussed with him the Intelligence Subcommittee request for briefing on the intelligence community. I talked to him later in the day, after he had a chance to speak to Chairman Nedzi, and learned that the Chairman would like to schedule hearings for the Agency and DIA for the week of 18 December. He further defined the emphasis that will be desired as follows: what impact has the Presidential Directive had; what was the situation before the Directive and after; and what remains to be done. Mr. Parrott, IC, has been advised.

I briefed Slatinshek on the Soviet "J" vehicle and Somalia port facilities.

5. (Internal Use Only - JGO) Delivered a copy of the "World Opium Survey 1972" to Mr. David Lovenheim, Administrative Assistant to Representative Frank Horton (R., N.Y.). This is by way of followup to the briefing given Lovenheim and Horton on 28 November 1972.

6. (Confidential - JGO) Met with Chairman Lucien Nedzi, Intelligence Subcommittee of House Armed Services Committee, and received from him the background studies relating to the Aspin letter. See Memorandum for the Record.

As a separate matter Chairman Nedzi told me that he had talked to Seymour Hersh, of the Times, today in which he picked up certain allegations against the Agency. See Memorandum for the Record.

7. (Confidential - JGO) At their request, met with Dr. John Brady and Robert Boyer, House Foreign Affairs Committee staff. Dr. Brady told me that the staff study on narcotics traffic in the Far East will be going to the printers momentarily. He told me he has sterilized the report fairly completely as far as Agency references are concerned. He will have copies of the galley proofs available for us Monday or Tuesday and will call when they are received from the printers.

8. (Internal Use Only - JGO) Met with Mr. William Van Ness, Chief Counsel, Senate Committee on Interior and Insular Affairs, and received from him a letter from the Chairman, Senator Jackson (D., Wash.), concerning executive session hearings scheduled by the Committee for 11 and 12 December.
